

## REMARKS

The foregoing amendment is provided to remove issues for appeal and to present rejected claims in better form for allowance or consideration on appeal, rather than to avoid prior art.

Applicant respectfully requests reconsideration of the above identified application. As of the Final Office Action mailed on August 17, 2007, Claims 1-29 were pending. Claims 1-8 and 10-18 were rejected. Claims 19-29 are allowed. Claim 9 is objected to. Claims 1 and 13 are amended to recite a practical application as required by the Examiner in the Final Office Action mailed on August 17, 2007.

Applicant respectfully requests the Examiner enter the present amendment for consideration of claims 1-8, 10-12 and 13-18 on appeal.

Authorization is hereby given to charge our Deposit Account No. 50-0221 for any charges that may be due.

Respectfully submitted,

Date: March 17, 2008
